

Preserving greenspace and improving public parks

Leaving a legacy to the generations who follow us is a noble act.

Your contribution will enable the Kent County Parks Department to purchase land for park and trail expansion, to plant trees and seedlings, to preserve and improve wildlife habitats, to continue and develop park programs, to build and improve playgrounds and recreational facilities that will be available to everyone. Be generous in your giving and be remembered for your gift to the Kent County Parks Foundation. Contributions may be made in Memory of, or in Honor of someone. We welcome being included in your estate plans. For more information, please call Sue Waddell at (616) 742-6594.
